Allowable Subject Matter

Claims 1-28 are allowed.

The following is an examiner's statement of reasons for allowance:

The cited prior art does not fairly suggest the claimed invention for testing technique of in receiving new language for processing system where language syntax and data is data of a test input file described in accordance to BNF (Backus Normal (Naur) Form) syntax rules, and the syntax coverage percentage is indicative of a rate of BNF syntax rules used in the test input file described in accordance to the BNF syntax to the whole BNF syntax rules. Specifically, claims 1, 8, 21 and 26 are directed to BNF syntax rule check and coverage percentage output section, which acquires a total number of the BNF data, and a number of the marked BNF data from the BNF rule check table and calculates a coverage percentage. Therefore, the claimed invention improves the testing process and BNF data is clearly marked syntax free and syntactically free for faster execution.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
